

The Woodlands

Coach Katie Thom thinks of her swimming career as having come full circle. She began swimming competitively, at age 5, on The Woodlands Swim Team -- in Walnut Creek, California.

A move to Northern Virginia brought the opportunity to swim with Curl Burke Swim Club and Lake Braddock Secondary School. She swam on the varsity team all four years and went on to compete in the state meet both her junior and senior years in the 50 Free, 100 Back, and 200 Free Relay.

Coach Thom attended SHSU and Auburn University, graduating in 2014 with a BS degree in History and Political Science.

She served as assistant coach to Coach Kirchner and The Woodlands High School Swim Team for two amazing and highly successful seasons. She loves teaching World Geography at TWHS, 9th grade campus, and looks forward to the upcoming season.
